

UJA-FEDERATION OF NEW YORK NORTHERN WESTCHESTER OPENING EVENT

RANDI SILVERMAN

Writer and producer of the award-winning film, *No Letting Go*

Given that one in five children suffers from a diagnosable mental health condition, Randi Silverman was determined to give a voice to the millions of families who suffer alone and in silence. *No Letting Go* draws on her personal experience having a son with bipolar disorder. Made to inspire community dialogue about childhood mental illness and its impact on families, the film takes viewers on a challenging ride from which they emerge with hope and inspiration about never giving up or letting go.
